

ABOUT: THE BATELEURS - FLYING FOR THE ENVIRONMENT IN AFRICA

Thank you for expressing interest in **The Bateleurs – Flying for the Environment**. We are a non-profit, registered Section 21 Company staffed by volunteers. Pilots volunteer their time and aircraft to conduct aerial surveys of sensitive or endangered areas of environmental significance. These missions provide valuable information for policy makers, scientists, media representatives, community leaders and activists. By giving a birds-eye view of our portion of the planet, Bateleur pilots' work in the air helps protect life on Earth.

The Bateleurs will fly to:

1. Conserve and protect the earth's diverse ecosystems.
2. Expose and reverse the unsustainable use and destructive human exploitation of the earth's biotic resources.
3. Design and advocate land-use and natural resource policies that protect or restore life-sustaining ecosystems.
4. Assist and empower others in their efforts to maintain a healthy and productive environment.

In order for Pilot members to fly missions we require the following:

1. Fixed Wing Pilots need to have logged at least 400 hours of which at least 250 hours must be pilot in command, minimum 20 hours on type and current;
2. Microlight Pilots need to have logged at least 120 hours;
3. own or have use of a suitable aircraft;
4. maintain at least R1,000,000 liability insurance and provide annually a certificate of insurance with a 10 day notice of cancellation clause to The Bateleurs;
5. execute and return a volunteer pilot agreement to The Bateleurs. This agreement states that the pilot is not an employee or agent of The Bateleurs and is acting on his/her own behalf;
6. if requested, submit to a pilot evaluation.

Kindly note that The Bateleurs is unfortunately unable to reimburse pilots for their time or the use of their aircraft, we do however endeavor to reimburse fuel costs. For pilots and aircraft owners our membership fee is voluntary but it would be most appreciated. Please also remember that it might be some time before you are asked to fly a mission, depending on demand and locality.

Kindly return (insofar as may be applicable) the following documentation to us at the address below:

1. Membership form;
2. Pilot information form;
3. Volunteer pilot agreement;
4. Certified copy of your pilot licence;
5. Copy of your aircraft insurance (the "coverage" page is sufficient);
6. Copy of the last page of your log book

Thank you for your interest and we look forward to hearing from you.
